Assessment of Need and Enforcement Plan
 Krassel Ranger District – Payette National Forest
 Cascade Ranger District – Boise National Forest

1. Background. A contract has been awarded to Kesler Construction for replacement of two culverts and repair of a section of asphalt. One site is located on National Forest System Road # 474 which is on the Cascade Ranger District. Two of the sites are on the National Forest System road #674 which is on the Krassel Ranger District. Construction will start on September 28, 2015 and last 1-2 weeks.

2. Intent of Subpart B order. This temporary road closure is for all motorized access to promote public safety during repair of the road and replacement of the culverts. Pedestrians, stock, and bicycles may use the road except for the sections where excavation is occurring. In the sections where excavation is occurring those users may not be within 100 feet of the worksites, but can travel around the worksite.

3. Enforcement Plan. On ground signing and temporary barricades and maintenance of the signs at the junction of NFSR #474 and NFSR #483 to advise the public of temporary road closure during road work. On site signing to advise the public of the area that is closed to entry will be posted. On site FS administrative personnel will make compliance contacts as needed.
